St Mary's Lighthouse Rocky Shore Survey Volunteering Day

Tuesday 6 June, 9.30am to 12 noon

Join one of St. Mary's Lighthouse education officers for a free and fascinating rocky shore ecology taster session. An opportunity to gain knowledge and skills relating to rocky shore flora and fauna identification, and survey techniques, including transects and random sampling. Not to be missed for anyone interested in a career in marine sciences or environmental education.

Meet at Queen Alexandra Campus, Hawkeys Lane, North Shields at 9am, transport and lunch are included. To book your place contact Claire Howard on 0191 643 2628 or email claire.howard@voda.org.uk.
