

VOLUNTEER MENTORS WANTED

Northumbria Coalition Against Crime requires volunteers for their award winning mentoring project

Can you spare a few hours per week to support a young person at risk of offending or reoffending?

We are looking for mentors in **Northumberland** and **Tyne & Wear**.

Induction programmes take place throughout the year where all volunteers receive 30 hours training.

I look forward to going out with my mentor, we talk about things that I find interesting and **I feel like I can just be myself and not worry** about getting angry or kicking off. I feel like **I can talk to her and she wont get upset with me** about what I say and that helps me.
